The Thrushes nest

Within a thick and spreading hawthorn bush That overhung a molehill large and round,
I heard from morn to morn a merry thrush Sing hymns to sunrise, and I drank the sound
With joy; and often, an intruding guest, I watched her secret toil from day to day—
How true she warped the moss to form a nest, And modelled it within with wood and clay;
And by and by, like heath-bells gilt with dew, There lay her shining eggs, as bright as flowers,

Ink-spotted over shells of greeny blue; And there I witnessed, in the sunny hours,
A brood of nature's minstrels chirp and fly, Glad as the sunshine and the laughing sky.

By John Clare 1793-1864

The above reminds me of the vine! Without the tree he can't nest and reproduce, and without Jesus we can't bear fruit?

The ministry team of Michael, Frank, Ian and Terry will bring the word of our Lord Jesus Christ to the hearts & minds of people in our church.

Kids zone will again continue through the year and this is a welcome meeting place for the youngsters of our community aged 4 to 11 years on Tuesday evenings during term time
